Going for Growth

Please Pray:

- Give thanks that the Diocese have responded to the letter Steve sent last week informing them of our intentions; that the letter arrived, was opened and read by those who can action the letters' request.
- Pray for the next stage of the response, which as we have been informed is the Diocesan Board of Finance looking into the legalities of the sites ownership, amongst other things, from which further decisions, advice and actions can be taken. There has been no further response to date.
- Pray for the formation/creation of the G4G Project's 'teams' and the creation of a clear brief for each sub-committee.
- Pray that the mission and ministry of St Richards will not be eclipsed and unity maintained.
- Continue to pray for the neighbourhood and community we serve.
- Pray for Steve Rees, Mark and all those in the ministry team and their families who work to serve both All Saints and St. Richard's so faithfully.
- Finally remember to pray for one another.
